About Leicester Animal Aid

Leicester & Leicestershire Animal Aid Association was founded in 1956 by Dorothea Farndon. Throughout its existence LAA has helped thousands of animals, who would otherwise have faced a bleak future.

We have achieved a great deal over the years by way of refurbishment and improved systems. It has been costly and there still remains much to be done. By becoming a member, not only will you be helping the animals, you will also become part of a very special family and really make a difference.

LAA receives no government funding and relies entirely on the local community and businesses. Through kind donations and efforts we are able to keep all of our animals safe and warm until we can find them a permanent home.

Currently costs on average £24,000 a month in care for all of the cats and dogs.

Why become a member?

There are lots of good reasons to become a member:

- You will receive an exclusive members card which entitles you to many of the monthly offers overleaf.
- You will receive a copy of the LAA Newsletter, which is produced twice a year.
- You can vote at the AGM, held every March at LAA and have your say on how the charity is run.

These are just some of the benefits of being a member—you will get much more than that. You will be joining a very special family, as LAA is a very close-knit community, made up of staff and volunteers, and not forgetting the four legged stars! Everyone works together for the benefit of the animals in our care.

Junior Membership

To be a member of LAA you have to be aged over 16. For juniors (up to the age of 16) there is a special club Huncote Hound Club, which was launched in August 2001. The annual subscription is £10. There is a separate leaflet which explains more about HHC.

Subscription charges

Annual Single	£18
Senior Citizen Annual Single	£12
Family Annual (2 adults and 2 children under 16)	£30
Single Life Membership	£125

To save administration costs, it is helpful if you would pay your subscription by standing order.
